## Hyde Park Day School Summer Internship Opportunity

Are you an HPDS alumnus majoring in education in college, or a high school junior or senior with an interest in exploring a career in education?

HPDS is now offering a limited number of 6-week summer internships, working as classroom assistants during our summer school program. You'll support the classroom teacher with hands-on instruction and other class activities. There may be opportunities to rotate through multiple classrooms.

This is a chance for interested candidates to learn more about the field of education and observe professionals in the field. In return, you will receive valuable firsthand experience and a letter of recommendation for successfully participating in the program. And, we love supporting our alumni!

HPDS Summer School runs from June 22 to July 31, 2020. Interns must commit to a minimum of three days per week, but ideally five. Summer school hours are 8:15 a.m. - 12:30 p.m.. A limited number of internships will be offered at the Chicago, Lemont and Northfield Campus. Interested candidates should email or call the Principal at their preferred campus to arrange for an in-person meeting to discuss the opportunity.

You may also wish to check-in with us during the year for service hours.
