Welcome to Hyde Park Day School's Annual Gala! This year we celebrate the 21st anniversary of Hyde Park Day School. Though we are celebrating virtually again this year, we know that by pausing to celebrate the work of our school, and thank those who have supported us along the way, that we are still together in spirit.

This has been a year of rapid and often unpredictable change. While we continue to adapt to changing circumstances, our mission remains steadfast: **to provide students of average-to-superior intelligence with learning disabilities an innovative and comprehensive educational model that will help prepare them for a successful transition to public or private schools in their home community.**

We are gratified to know we have made a difference in the lives of hundreds of bright young students with learning disabilities. As more students seek our services, the number and amount of scholarship requests have increased exponentially. **The Bright Futures Scholarship Fund** is a critically important piece of our mission, as the financial aid we offer makes it possible for more children to benefit from our highly individualized services, regardless of family means.

**All proceeds from the Gala are used to support the Scholarship Fund**, so your generosity—all year round—makes a very real difference. With your help, we will continue to help our bright students fulfill their potential.

Sincerely,  
Casey Crnich, Ed. D., Executive Director
